In Memoriam

This 1963 Sullivan County Report is dedicated to the late Helen C. Bartlett, who for thirty years served as office secretary in the County Commissioners' Office at Newport, New Hampshire.

Printed words cannot express the worth of a dedicated person like Helen, who "lived" with her work as County Government developed from a Court House and Alms House to its present broad program of services to meet the needs of all the people of our County.

Personal interest and faithfulness to details were outstanding characteristics of Helen, and her extensive memory was always a source of information for the numerous county officers and legislators, who have come and gone during the past thirty years.

COMMISSIONER'S REPORT

To the Citizens of Sullivan County:

In accordance with the laws of the State of New Hampshire, the Commissioners of Sullivan County herewith respectfully present the Annual Report of the Commissioners, Attorney, Clerk of the Superior Court, Sheriff, Chaplains and Physician of the County Home; County Agent and the County Auditors for the year ending December 31, 1963.

A continuing effort was made by the Board of County Commissioners to make efficient use of county funds and yet supply the services required by law and due the people of Sullivan County.

Because of the sickness and death of Mrs. Helen C. Bartlett, who had been in charge of the Newport office for many years, considerable adjustment was necessary, as far as records, case work and other operations were concerned. However, thanks to the efficient work of Mrs. Catherine Waltz, who has been in the County office for six years, and our new office secretary, Mrs. Ruth Winter, no noticeable lapse in county procedure was evident.

Our County Nursing Hospital continues to merit the high praise of the public. Because of its limited capacity it does not take care of all cases needing our services.

The farm and plant again had a year of balanced operations due to the good staff and the careful administrating of Supt. and Matron, Mr. and Mrs. Omer C. Ahern.

Even though Welfare and Court expenses have been higher this year, we were able to keep within our budget and finish with a surplus.

We, the Commissioners, believe that in order to foster the various services of our County, all citizens and taxpayers should become better acquainted with the programs of Sullivan County Government.

Respectfully submitted,
Vincent A. Perkins
Charles L. Bailey
Remington B. Woodhull

ACCOUNTS OF COMMISSIONERS AND TREASURER

All orders issued by the Commissioners and Clerk of the Superior Court during the fiscal year were examined and compared with corresponding entries in the Treasurer's records. CLERK OF SUPERIOR COURT

GENERAL COMMENTS

Net Overdraft of Appropriations — Application of R.S.A., Chapter 24, Section 15, As Amended by Chapter 142, Laws of 1961:

Fiscal Year 1961

It is noted that in the year of 1961 there was a net overdraft of appropriations in the amount of \$10,312.75, as shown herewith:

Overdrafts of Appropriations	\$ 21,916.18
Unexpended Balances of Appropriations	11,603.43
	<hr/>
Net Overdraft of Appropriations	\$ 10,312.75

It may be stated, however, that included in the net overdraft of appropriations of \$10,312.75, was an overdraft of Superior Court appropriations amounting to \$3,848.74, which reduced the overdraft of appropriations over which the County Commissioners have jurisdiction to \$6,464.01.

In accordance with the provisions of R.S.A., Chapter 24, Section 15, as amended, the Executive Committee of the Sullivan County Delegation at a meeting held on August 24, 1961, granted authority to the County Commissioners to exceed 1961 budgetary appropriations by the amount of \$7,500.00.

Fiscal Year 1962

In 1962 there was a net overdraft of appropriations of \$7,357.31, as indicated herewith:

Overdrafts of Appropriations	\$ 24,273.30
Unexpended Balances of Appropriations	16,915.99
Net Overdrafts of Appropriations	\$ 7,357.31

It may be stated in reference thereto that this overdraft was incurred as a result of the purchase of the Mills property to protect the County Home water supply at Marshall Pond.

It is further noted that this expenditure in excess of budgetary appropriations was authorized by the County Delegation at a meeting held on June 4, 1962, at which the following action was taken:

"That the Commissioners be authorized to purchase the Mills property at a price not to exceed \$8,900.00 and that they be allowed to exceed their budget by the purchase price. Voted unanimously."

Conclusion:

In accordance with the provisions of Chapter 184, of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the officials of Sullivan County and their office staffs for the assistance rendered during the course of the audit.

SUPERINTENDENT'S REPORT

January 1, 1964

To the Honorable Board of County Commissioners:

In submitting our annual report we are pleased to give an account of a busy and successful year. As always our labors have been varied; but this has only added to our interest in meeting the challenge of every day operations at the County Institution.

Once again in 1963 the hospital has been filled to capacity making our nursing staff very appreciative of the new utility rooms which were installed as soon as possible after the approval of the County Delegation. The never ending task of linen changes, etc. can now be performed much more efficiently with more time allotted for nursing care. Many changes have been made in the hospital building in recent years; but by far the greatest improvement has been the addition of these new utility rooms.

The installation of new lighting in the hallways and kitchens, the re-decorating of patient rooms and installation of sliding doors in the chapel are all improvements which have added to the efficiency and decor of the hospital. (This last item was financed by money received from a braided rug. The material was donated and the work was done by one of our County charges.)

The hospital is the largest and most impressive operation at the institution and is also the busiest and not the least routine as most people might suspect when we take into consideration that the nurses must deal with the mentally confused as well as the seriously ill and those confined to beds and wheel chairs.

Other changes are needed at the hospital if the building is to be used to maximum efficiency; these would include the installation of an elevator and new solariums.

The completion of the third floor annex will be valuable in accommodating personnel who live in; this should be accomplished early in the new year.

The storage building at the dairy barn was completed on schedule and it proved worthwhile through the summer months in helping our fly control.

Early in the spring our Soil Conservation Service engineers arrived with a bulldozer and completed another session on land improve-

ment. Their work of a year ago proved its worth during the spring plowing and planting. We plan to continue this program.

The year 1963 proved to be an unfortunate year as far as farming operations were concerned. The terrible drought condition was instrumental in causing a shortage in our hay crop, forcing us to feed cattle in the barn early in August and land that usually produced three crops of hay barely produced one crop this past year. With the continuing drought we were forced to buy irrigation equipment for our pasture, to preserve our dwindling supply of hay. Even with the large consumption of water for irrigation and other farm use and the continuing dry spell, at no time were we in any danger, or even worried about exhausting our supply of water. There is no doubt that the new pipe line was the answer to our water problems.

The usual amount of summer maintenance was carried on with the replacing of roofing, painting of exterior of several of the buildings, and improving many of the others.

The new farm equipment purchased this past year proved very successful and added to the ease in completing our farm work.

We were fortunate in receiving sufficient donations for a Stryker Bed from an appeal by the **Daily Eagle** under the title, "The Maxine Fund." The donations from the public at large went well beyond the amount needed for the bed; many requested that their donations go toward the installation of an elevator. We know this would be of real value in giving hospital care. We are thankful to all who were so generous in their donations.

Sullivan County can well be proud of the many groups, organizations, clubs, etc. who have remembered the residents of the Home and Hospital not only at Christmas but throughout the whole year. It would be impossible to mention them all by name but the joys and happiness brought to so many during the year will always be remembered and is greatly appreciated.

As has been true in previous years, the County Home Auxiliary continues its weekly visit to the Home with their friendly visiting and the varied activities carried on to help keep the residents occupied. Our sincere thanks and appreciation to this group.

The support and cooperation of our County Commissioners is greatly appreciated. They are always ready to assist us and help solve any problems which may arise. It is a pleasure to work with a Board of such interested men.

We want to extend our thanks and appreciation to Dr. Carl Stearns for his continued efforts in treating the patients at the County Hospital. It should be noted that Dr. Alberto Miyara has been ap-

pointed a member of the staff and will serve with Dr. Robert Maxfield in visiting the Hospital as a consultant.

Our thanks to our chaplains, Rev. Father Albert Boulanger and Mr. Alvan Barrus; to all members of the clergy of various faiths; to our County Extension Service; to our Sheriff's Department and to our County Attorney; and to all others too numerous to mention who have done so much for the residents at the County Home and Hospital.

We want to take this opportunity to thank the members of our staff for their continued loyalty and cooperation; and we feel that we should mention the longevity of service of many on our staff — all this make it possible to successfully operate the Institution.

Omer C. Ahern, Superintendent

Rosa C. Ahern, Matron.

PHYSICIAN'S REPORT

To the Sullivan County Commissioners:

During 1963 there were 32 admissions to the Sullivan County Nursing Hospital and 22 deaths. The average age at death was 77.8 years.

Each patient had a physical examination during the year. Routine urinalyses were done and many had hemoglobin and blood sugar determinations, with the kind cooperation of the laboratory staff of the Claremont General Hospital. Three patients had major surgery at the Claremont General Hospital, and several others had minor surgery. Many had special appointments for eye, skin, teeth and foot treatments. During the year, Dr. E. Ross Mintz, a noted genito-urinary specialist, made a special survey of the hospital patients, and examined each patient. We also had a tour of inspection by Dr. Eric Stone, who gave us some helpful and constructive advice. Dr. Alberto Miyara, Internist, and Dr. Robert Maxfield visited the hospital monthly for special consultations.

At the close of the year, money was raised by public contributions for the purchase of a Circ-O-Lectric (Stryker) Bed for Maxine Barnard, a multiple sclerosis patient. With this bed she will be able to change her own position and posture frequently.

There are 5 men and 15 women on the waiting list at the present time, and applications continue. We really need a new building, including an elevator.

As always, the work of Mr. and Mrs. Omer C. Ahern in administering the Sullivan County Nursing Hospital has been outstanding.

We are also fortunate in having Mrs. Lucile Waldo, R. N. as our very efficient Director of Nursing Service, and a very capable staff of Registered Nurses, practical nurses and nurse aides. We should mention also that we have been fortunate in securing the services of a group of Mennonites, who have contributed a great deal to our nursing staff.

C. M. Stearns, M. D.

REPORT OF THE CHAPLAIN
Sullivan County Home, Unity, N. H.
Year ending December 31, 1963

During 1963 the Chaplain has held religious services each week, usually Saturday evenings. Additional visits have been made during the week, on several occasions.

Devotional materials, including "The Upper Room", "Home Prayers" and others, have been provided.

The Chaplain especially wishes to thank Superintendent & Mrs. Omer Ahern for their interest and assistance. The staff and nurses have been most thoughtful and helpful in giving time and care to bring patients and guests to the services.

The Chaplain wishes also to express appreciation to Rev. Newell Bishop and the young people of the Charlestown Congregational Church for their regular visits and musical programs. The patients look forward to their visits very much. Also to be mentioned are the choir of the United Church of Cornish and several other groups and individuals who have helped to brighten the days and evenings at the County Home, and bring a much needed atmosphere of Christian friendliness which the Chaplain cannot by himself accomplish.

Finally the Chaplain wishes to thank Miss Goodwin, Mrs. Paul and all the other good friends at the Home for help in making the religious service richer in music and more meaningful to everyone.

Respectfully submitted,
Alvan Barrus

CATHOLIC CHAPLAIN'S REPORT

To the Sullivan County Commissioners:

The report is a brief summary of the activities which took place during the year 1963.

The Sacraments and spiritual counselling to each was made available by personal contact throughout the Home at least once a month. Additionally, the chaplain is always available for the spiritual welfare of all at any time.

The celebration of Holy Mass was offered at the Home every other Saturday. On occasions, circumstances made it impossible to have Holy Mass as scheduled, generally, it was then celebrated the following Saturday.

Again this year, a limited quantity of religious literature was provided by Saint Mary Church of Claremont and by individual donors.

The chaplain has always found the County Home Staff and nursing department most cooperative whenever their assistance was sought. I wish to express my thanks to everyone.

Reverend Albert Boulanger

The case load this past year has increased in ratio to the national increase in crime, especially crimes involving offenses against chastity. Due to the vigilance and thoroughness of this department's inves-

tigations, I can truthfully say that we have kept abreast of this increase.

For the past eighteen years due to our intensive investigations of defendants and the gathering of evidence against them has resulted in the defendants waiving Grand Jury brought before our Superior Court pleading guilty and sentenced. This procedure has saved the taxpayers thousands of dollars in Jury expenses.

The cost of this department compares favorable with other Counties of the State and in fact, is several thousand dollars less than the Counties to the south and north of us.

I wish to take this opportunity to thank our very able County Attorney, George E. Zopf, for spending so much of his valuable time helping this Department in the solution of many crimes reported to it.

Also, I thank our capable County Commissioners, all law enforcement officers and especially the citizens of the County for their wonderful cooperation and assistance to me and my efficient Deputies.

Respectfully submitted,

James F. McCusker, Sheriff

REPORT OF COUNTY ATTORNEY

January 28, 1964

The Commissioners of Sullivan County
Newport, New Hampshire

Gentlemen:

I herewith submit my report as County Attorney for the year ending December 31, 1963.

The Grand Jury for the County during the year 1963 returned six indictments and sixteen persons charged with having committed felonies waived indictment as permitted by statute in order to have their cases disposed of speedily by the Superior Court on guilty pleas. As in the past the crimes committed were varied and included aggravated assault, obtaining property by false pretenses, larceny, forgery, enticing female child, statutory rape, arson, robbery and reckless driving death resulting.

The provisions of the Sexual Psychopath Act (RSA 173) were invoked in six instances. In all cases the individual involved was found by the examining board appointed by the Superior Court not to be classifiable as a sexual psychopath within the meaning of our statute. In all cases the persons stood trial on the charges against them, thus disposing of the cases.

Each year in my report I have mentioned the increasing amount of time and effort which is required to be expended on the so-called non-support cases. Each week your County Attorney and Sheriff are visited by many wives whose spouses or former spouses are neglecting to support them and their children. In most cases where the defaulting husband and/or father was within the State of New Hampshire our efforts at compelling support were fruitful. In those cases where he had left our jurisdiction, we initiated proceedings under the Uniform Reciprocal Enforcement of Support Act and sent the case to the state of respondents residence for appropriate action. By the same token, when a defaulting husband or parent was within Sullivan County we received many cases from other states for us to handle pursuant to the Act.

Our four Municipal Courts disposed of hundreds of misdemeanors during 1963. I conducted most of the prosecutions in these courts where the defendant pleaded not guilty and desired a trial. I have further assisted the State Police officers assigned to this county and

the local police in all matters upon request. Your County Attorney also investigated all fatal automobile accidents, suicides, and unattended deaths, and has advised the County Commissioners on all legal matters.

I am indebted to all law enforcement officers in the county for their splendid cooperation with me in the performance of my duty as the County's chief law enforcement officer. This annual report affords me an opportunity each year to publicly express my deep appreciation to Sullivan County's very experienced and able Sheriff James F. McCusker and his deputies, the State Police personnel assigned to this County, and the local police departments for their wonderful cooperation and assistance in law enforcement. I recognize only too well that my office functions smoothly only because of their dedicated to duty. I desire also to acknowledge the consideration shown to me by the County Commissioners and the personnel of their offices in Claremont and Newport.

Respectfully submitted,
George E. Zopf
County Attorney
